ART. 1.1 OBJECTIVES

Erasmus Plus is the EU programme in the fields of **Education, Training, Youth and Sport** 2014/2020.

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad totalling up to 12 months maximum per each cycle of study and 24 months in one-cycle study programmes, regardless the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months). Erasmus students will receive a grant and may attend courses and use the available structures **without further registration fees** (in some cases small contributions might be requested as for local students). **All activities abroad (with a positive result) will be fully recognized** provided they are approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome by approving the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study and Training Periods Abroad." (Rectoral Decree Prot. n. 34218 - 13.05.2015).

ART. 3.1 GENERAL ASPECTS

Grants for mobility are to be considered as a contribution to the expenses of residing abroad and require actual participation in mobility activities. To receive grants, students must sign the financial contract at their Erasmus+ office before leaving.

If EU funds run out or students receive other simultaneous university or EU grants, when students specifically accept it, selected candidates may receive an “Erasmus-Zero-EU-Grant” status that will allow them to enjoy the benefits of mobility without receiving the EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2018-19, by Indire - the National Agency for Erasmus+.

ART. 4. SITES AND PLACES AVAILABLE

The availability of destinations and of the places available, may change depending on possible variations adopted by E.U. or national Institutions ruling the Programme or depending on the host Universities. Therefore, this list has a non-binding nature. It is recommended that students, before the application, inform themselves about the possibilities of study at the foreign locations by checking the didactic offer.

The duration of mobility for the places available, could suffer reductions if the academic calendar should prove to be of shorter period.

In addition, for students who have already enjoyed previous mobilities, the reduction of the period will be maximum of 12 months for each study cycle, and 24 months for the single cycle degrees, after authorisation by the destination site.

Among the places listed below, the student will have to select n.3 destinations.

The offer may undergo changes even after the publication of the notice, if the partner university announces that has changed the admission requirements or the seats available.

The order of priority indicated on the application will be binding criterion for the allocation of places, if the candidate wins multiple locations.

It should be noted that it is not possible to guarantee the departure in the first semester for the sites where the deadline is in proximity of the date referred to in Article 14, "the end of the procedure of the present notice".

In choosing mobility from the list, please pay attention to the language level required by the sites to be able to attend the courses selected (see art. 2.3.2).
